

How to Download and Install Terrapin Logo on Windows

Terrapin Logo 4 is now downloadable! Instead of waiting for a CD, you can download *Terrapin Logo* and start using it right away.

Downloading and licensing *Terrapin Logo* is similar to the process for downloading and licensing other software available on the web. This document provides step-by-step instructions on how to download and install *Terrapin Logo* on a Windows computer and how to unlock all of *Terrapin Logo's* features by purchasing and installing a license.

Download Logo to your computer

Step 1

Navigate to the *Terrapin Logo* page at <http://www.terrapinlogo.com/logo.html>. The following page appears (for clarity, the picture below is only a part of the page):

Terrapin Logo 4.0

Terrapin Logo 4.0 is the latest version of the Logo computer language from Terrapin, the world's oldest and most experienced Logo company.

Terrapin Logo is free to try! The trial version of *Terrapin Logo* is fully functional with the exception of saving and printing. Click one of the download icons below to download *Terrapin Logo* for your computer. The *Getting Started Guide* and *Quick Reference* are included in the download so you are all set to go! Visit the [Logo Installation page](#) for further information about downloading Logo.

- Download the Windows Installer
- Download the Mac Disk Image

To make *Terrapin Logo* fully functional on your computer, purchase and download a license file. After you purchase a Logo license, you will receive a link to your license in an email invoice within 24 hours. Download the license file and install it into *Terrapin Logo* to unlock all features.

Contact Terrapin for information on upgrading from previous versions.

Step 2

Click *Download the Windows Installer*. The download begins automatically. By default, Windows stores the file in the Downloads folder.

Step 3

When the download is complete, your Downloads folder contains the *Terrapin Logo* installer executable *TerrapinLogo4.0.exe*:

Double click *TerrapinLogo4.0.exe* to launch the installer. Follow the instructions, and click *OK* where appropriate. After the installer has finished running, it offers a check box to launch *Terrapin Logo*. You will usually also have a desktop icon that you can double click to launch *Terrapin Logo*.

The Windows 8 Security Dialogs

For security reasons, Windows 8 may block the execution of downloaded installer images. You will see a dialog like the left dialog. Click the “More Info” text, which is highlighted in the picture. A second dialog appears, like the right dialog. This dialog displays the publisher (which is Michael Daeumling, the author of *Terrapin Logo*), and clicking the “Run Anyway” button finally launches the installer.

Unlock the full Power of Terrapin Logo

The free-to-try *Terrapin Logo* is fully functional, with the exception of saving and printing. Each time you launch *Terrapin Logo*, a dialog pops up reminding you that your copy is free to use, but requires a license to unlock all of its features.

So, how do you buy and install a license file? Please follow these steps.

Step 1: Buy a license file

Again, navigate to the *Terrapin Logo* page at <http://www.terrapinlogo.com/logo.html>. You will see the following page (for clarity, the picture below is only a part of the page). Please check the number of licenses that you would like to buy. Usually, this would be a single license, but if you need a classroom license, choose a different option. Regardless of your choice, you will receive a single license file that is valid for the number of computers you have chosen. (Note that a single license is valid

for multiple computers in a private household.)

After placing your order, you will receive a confirmation via email, like the image below, at the email address you provided. This includes a download link to your license file which is circled in red in the illustration. If you paid with Paypal, this link is active and you can click it to download your license file.

Hello, Logo Customer

Thank you for your order from Terrapin. A confirmation follows below. You will subsequently receive an invoice for your order. For downloadable licenses, the invoice contains a link to your license. For shipped orders, you will also receive a shipping confirmation with a link to track your order when it ships. These will be sent to logocustomer@
